

Congratulations to Aimee Kestenberg and Frank Nathan!

WRITTEN BY ANETA GENOVA | MAY 03, 2010.

Congratulations to Parsons graduating students Aimee Kestenberg and Frank Nathan for being chosen as finalists for the Independent Handbag Designer Awards. Aimee is one of the five finalists in the Best Use of CRYSTALLIZED™ – Swarovski Elements category and Frank is chosen for the Best Student Made Handbag.

Tanni Tales CRYSTALLIZED™ Couture Evening Bag

A combination of round stone Crystallized elements in Cobalt blue & Jet Aurore Borocis embedded on Royal blue suede inner lining.

FRONT VIEW

A combination of round stone Crystallized elements in four different shades and sizes of Topaz, embedded on camel suede.

BACK VIEW

Rings are a combination of round stone Crystallized elements in layers, inspired by the Australian Blue Ring octopus.

Customized gold plated hardware - used on the base, latches, closure and handles.

Designed by Aimee Kestenberg (Parsons The New School for Design) for Swarovski CRYSTALLIZED™

Aimee Kestenberg's sketch.
